Dear Parents and Carers,

I am writing to inform you that our Headteacher, Mrs Acheson, has recently accepted an exciting new role as a School Advisor for the Diocese. This new position will take effect from the beginning of January, and while we are sad to see her leave, we know that this is a fantastic opportunity for Mrs Acheson to contribute to the development of schools across the Diocese of Leeds.

The Governors and the Trust are fully aware of the importance of ensuring stability during this time of transition. We are working diligently to plan for the smooth handover of leadership and to ensure that the school continues to thrive during this period. Rest assured, the care and education of our pupils will remain at the heart of every decision we make.

We will provide further updates as soon as decisions regarding the new leadership structure have been finalised. At that point, we will also hold a meeting to discuss these developments with you in more detail and to address any questions or concerns you may have.

We would like to thank you in advance for your continued support and understanding during this transition.

Yours sincerely,

Nat Potts
