

Our School News

We hope that you have all settled in well to the new school term. The children have been very busy adjusting to their new Classes and new routines.

We are going to be holding our School Council elections next week and so if your child would like to put themselves forward they need to decide by Monday.

I appreciate that lots of you have queries regarding swimming. I am aware of it and I'm currently looking into it. I will keep you updated.

Forest School

This week the Year 3 and 4 children were busy setting up our Forest School field. They worked very hard to build a wood pile and clear the ground to make a new fire circle. After all their hard work we lit the fire and put the kettle on!

If you have any free time on Monday afternoons and would like to help with Forest School then please let us know. We really appreciate your help and you can join in too!

The children love to dig in the mud so if you have any old pots, pans, metal tea pots, wooden spoons, utensils or other mud kitchen items you would like to donate then please bring them in. Also donations of plastic pipe, drain pipe, crates or cable reels would be greatly received. Thank you in advance for your support.
