Car Parking

Parking
We have had further issues regarding cars parked inappropriately on the bend and not in designated spaces. Please can you also refrain from parking either side of the entrance to the school drive as this causes a blind spot both for cars leaving and children crossing the road. Please use the car parking bays provided or alternatively in the village or pub car park. We appreciate your support with this. Cars are parked in the school grounds at your own risk but for the safety of all of our school community please park responsibly.
