### Tesco "bags of help" grant

As I'm sure you are all already aware, Tesco at Catterick has us as one of their charitable causes for their plastic bag charge fund. First place gets £4000, second £2000, and third place gets £1000.

We are currently trailing in 3<sup>rd</sup> place! I suspect this is largely because not many of us shop in the Catterick store! However any tokens from other Tesco stores can be brought to school reception and we will deliver them to the Catterick store to count towards our votes.

Online shoppers can take their grocery receipts to a Tesco store to get their tokens, or bring your receipts in to school reception and we will get the tokens on your behalf.

### Crisp Packet Recycling

The Sun Parlour Cafe, in Spa Gardens is recycling crisp packets through TerraCycle. and will raise funds towards Christmas lights for Ripon.

Once received by TerraCycle®, your crisp packets are sorted and separated by material composition. The separated items are then cleaned, shredded, and made into new recycled products.

This is paid for by Walkers Crisps who will pay for ANY brand of packet.

This is not about encouraging your children to eat more crisps but for those who do, it is better that the packet is recycled and raises money.

TerraCycle raises £17,000,000 for charity through its various recycling schemes last year.

**We would very much like to support this project so would like your children to bring in their empty crisp packets please.**
