

Personal Best Physical Challenge

Personal best is where you improve your personal performance and reaching your individual goals

Day 2 Physical Challenge – Balance test

The ability to balance is a fundamental element of all sporting activity

Reception & Key Stage 1

- How long can you balance on your right leg
- How long can you balance on your left leg

Safety

- Find a line you can stand on, flat on the floor.
- Ensure you have plenty of space around you just in case you lose your balance

The aim of the activity:

- The balancer stands on one foot using someone initially to gain their balance.
- The stop watch will start when you let go of the person helping you to balance and will stop when the free leg touches the floor.
- You must practise on both legs.

Reception & KS 1
Knee bent up in front.

Body

- Balancer is relaxed and stable
- The arms and hips help the balancer
- The focus is forward rather than down

Aim: Keep your balance as long as you can.

- Reception – great time = 10 seconds
- Year 1 – great time = 15 seconds
- Year 2 – great time = 20 seconds

Equipment required:

Stop watch

Line

Adapting your equipment:

- Stop watch – check a mobile phone to see if it has a stop watch.
- Find a line you can stand on, flat on the floor.
